PLAYER LIMITS: 25 players from opening day thru August 31 . . . 40 players from September 1 thru end of season.

Throughout the year a major league club may carry 40 men on its "under control" list. . . . Players in military service do not count against the "under control" list while on active duty. . . . Upon separation from the service a player will be reinstated to his club's normal player limits after he has completed a 15 day trial period or has participated in a championship game, whichever comes first.

QUALIFICATIONS FOR A SAVE

A reliefer earns a "save" if he faces the potential tying or leading run, or by pitching one or more perfect innings in protecting a two-run lead, or if his team was three runs ahead when he entered and he pitched at least 2 innings in finishing up the victory. Only one "save" can be given per game and a reliefer who gets credit for the victory is not eligible for the "save."
